

Swine Vaccine Comparison Chart

- Modified Live Vaccine
- Killed Vaccine
- Avirulent Live Culture

	A. Pleuro Pneumonia	Bordetella Bronchi-Septica	Pasteurella Multocida	E.Coli	Mycoplasma Pneumoniae	Clostridium Perfringens	Rotavirus	TGE	Parvovirus	Lepto 5-way	Lepto Bratislava	Salmonella Choleraesuis & Typhimurium	Swine Influenza	Strep Suis	Haemophilus	Erysipelas	PCV2	PRRS	Haemophilus parasuis	PEDv	Polyserositis	Arthritis Disease	Tetanus	Ileitis	Dosage	Route of Administration	Slaughter Withdrawal	
3Flex					●												●	●							2mL	IM	21 days	
C & D Antitoxin						●																				5mL	SQ	21 days
Circumvent PCV G2																	●									2mL	IM	21 days
Circumvent PCV-M G2					●												●									2mL	IM	21 days
Citadel L5										●																2mL	IM	21 days
Clostridium Perfringens Type C & D Antitoxin						●																				5mL	SQ	21 days
Enterisol Ileitis NF																								●		2mL	O	21 days
FarrowSure Gold									●	●						●										2mL	IM	21 days
FarrowSure Gold B									●	●	●					●										2mL	IM	21 days
FLEXcombo					●												●									2mL	IM	21 days
FLEXMycoPRRS					●													●								1mL	IM	21 days
FluSure XP													●													2mL	IM	21 days
FluSure XP/ RespiSure-One					●								●													2mL	IM	21 days
FluSure XP/ER Bac Plus													●			●										2mL	IM	21 days
FluSure XP/FarrowSure Gold									●	●			●			●										2mL	IM	21 days
FluSure XP/RespiSure					●								●													2mL	IM	21 days
FluSure XP/RespiSure-One/ ER Bac Plus					●								●			●										2mL	IM	21 days
Fostera Gold PCV																	●									2mL	IM	21 days
Haemo Shields P	●		●																							2mL	IM	21 days
Ingelvac AR4		●	●																							1mL	IM, SQ	21 days
Ingelvac CircoFLEX																	●									1mL	IM	21 days
Ingelvac MycoFLEX					●																					1mL	IM	21 days
Ingelvac Provenza												●														1mL	IN	21 days
Ingelvac PRRS MLV Vaccine																		●								2mL	IM	21 days
Lepto Shield 5										●																2mL	IM	21 days
LeptoFerm-5										●																2mL	IM	21 days
LitterGuard LT-C				●		●																				2mL	IM, SQ	21 days
M+PAC					●																					1mL	IM, SQ	21 days
MaGESTic 7									●	●						●										2mL	IM	21 days
Parapleuro Shield P+BE	●	●	●													●			●							5mL	IM	21 days
Parvo Shield L5E									●	●						●										5mL	IM	21 days
Porcilis Ileitis																								●		2mL	IM	21 days
Porcine Epidemic Diarrhea Vaccine (RX)																				●						2mL	IM	21 days
ProSystem Rota								●																		1mL	O & IM	21 days
ProSystem TGE/Rota								●	●																	1mL	O, IM	21 days
ProSystem TREC				●		●	●	●																		2mL	IM	21 days
RespiSure					●																					2mL	IM	21 days
RespiSure One					●																					2mL	IM	21 days
RespiSure-One/ER Bac Plus					●											●										2mL	IM	21 days
Rhini Shield TX4		●	●													●										5mL	IM, SQ	21 days
Suvaxyn RespiFend MH/HPS					●														●		●	●				2mL	IM	21 days
Tetanus Antitoxin																								●		1mL	SQ	21 days
Tetanus Toxoid Concentrate																								●		1mL	SQ	21 days
