

New!

No Pick'n for chickens

Reduces Cannibalism

FOR EXTERNAL USE ONLY
KEEP OUT OF REACH OF CHILDREN
NOT FOR HUMAN USE

Use only as directed. Use eye protection. Avoid contact with eyes and other mucous membranes. For use in a well ventilated area. Wash hands thoroughly after each use with soap and water. If product gets into eyes or mucous membranes, flush thoroughly with cold water for 15 minutes.

DIRECTIONS FOR USE

SHAKE WELL BEFORE USING.

Start by applying to the tail feathers first then continue working up the back towards neck. Avoid contact with head, comb, wattles and eyes. For best results, apply when pecking is first noticed. As a preventative measure, apply to birds that are newly introduced to the flock.
